**a Conservative Republican Speaks out on September 11, 2001,
Afghanistan, Iraq, Bush – Cheney 2004 Imperial Oil
“Stratergies”.**

The following is in the book, available July 2004.

September 11, 2001

A **“Pearl Harbor”** to justify a shift in Bush – Cheney Oil Strategy and War Policy. A day that will live in Infamy and History as
the Ultimate Definition of U.S. OIL GREED.

September 10, 2001 – “The Strategery”

year in September 10, 2001: **“Those who control the oil routes out of Central Asia will impact all future direction and quantities of flow and the distribution of revenues from new production,”** wrote energy expert James Dorian in Oil & Gas Journal, published the day before the terrorist attacks.

From the Book:

Figure 1 of 26: Turkmenistan, Afghanistan, Pakistan,
India Pipeline Dabhol Enron

The Global War on Terrorism...

is actually oil and gas policy that favors Bush – Cheney friends and backers to the detriment of the citizens of the United States and Our Military.

The targets of the Terrorists...

are Bush, Cheney, major U.S. Oil and O&G related corporations and the Government, not the Citizens of the United States.

We are not being told The Truth.

11:01 2001-11-22

Bin Laden: **Not all Americans are bad....** He admitted that **there were many good people in the United States and it was the politicians and State, which he despised.**

Our military has been used and abused to
breach a contract...

so greedy Bush - Cheney buddies could take over a **\$7.34+ TRILLION** oil and gas deal (and rising with each terror alert & OPEC production cut, & U.S. “refinery capacity shortage”).
It’s a Strategy!

That deal includes “Saudi Investors” that were not needed...

and continues the “Bush Saudi Friends” in power.
These same Saudi investors are funding sources for terrorism, partnered with Unocal and Amerada Hess.
Our Oil Policy makes Arabs hate us.

Who promotes that lunacy?

George H.W. Bush, James A. Baker, III, George W. Bush, Dick Cheney, Carlyle Group, Halliburton, U.S. oil companies, Bechtel, their Neocon mouthpieces, and others profiting at their gain, your loss.

Who is blocking the 9-11 investigations?

Bush – Cheney and the 9-11 Commission. **Why?** You are about to see why there is **much to Fear from The Truth.**

Who is blocking the Cheney Energy Task Force investigations?

Bush – Cheney and the U.S. Supreme Court. **Why?**
You are about to see why there is **much to Fear from**
The Truth.

Who is blocking the Iraq WMD, imminent threat
lies?

Bush – Cheney, Pentagon and the 9-11 Commission.
Why? You are about to see why there is **much to Fear**
from The Truth.

“WMD” does not stand for “Weapons of Mass Destruction”

It stands for **“W’s Mass Deception”** - It’s a **Strategy**, don’t you see?

Let me introduce you to Bidas Corporation of Argentina.

Bidas had Turkmenistan and the Taliban under contract before any U.S. firm could even get close, so they used lies and our military to “**Breach the Contract**”.

Major Milestones

- ❖ **January 1992:** Gas exploration rights for Yashlar block in eastern Turkmenistan awarded to Argentine firm; Bidas Production profits to be split 50-50 between Bidas and Turkmenistan government.
- ❖ **February 1993:** Bidas awarded Keimir Oil and Gas Block in western Turkmenistan. 75-25 split in profits, in favor of Bidas.
- ❖ **1995** Bidas Corporation meets Taliban for first time to commence negotiations.
- ❖ **1995** Unocal and US Government attempting to pressure Taliban to abandon contract negotiations with Bidas and pressure Turkmenistan regarding Bidas contracts.
- ❖ **October 1995:** President Niyazov (Turkmenistan) signs agreement in New York with Unocal/Delta (Saudi investors). Turkmenistan starts jerking Bidas around on its Oil Contracts with that government.

Major Milestones

- ❖ Jan. 1996: Bidas signs agreement with Taliban and General Dostum for Trans-Afghanistan pipeline.
- ❖ Feb. 1996: Bidas v. Unocal, \$15.0 billion interference of contract lawsuit filed in Texas. Dismissed, re-filed as arbitration claim. Remember “Delta Oil, Saudi”
- ❖ March, 1996: U.S. Ambassador to Pakistan, Tom Simons, urges Bhutto to give exclusive rights to Unocal. Bhutto offended and demands apology.
- ❖ Nov. 1997: Unocal tries to woo Taliban away from Bidas and are rejected by Taliban. (Delta, Saudi)
- ❖ Aug. 1998: Clinton launched cruise missiles at Afghanistan. Al Qaeda or bust up that Bidas contract? Zalmay Khalilzad involved in Bosnia and Afghanistan.

Major Milestones

- ❖ **Oct. 1998:** A Texas judge dismisses Bidas' US\$15 billion suit against Unocal for preventing them from developing gas fields in Turkmenistan. (Delta, Saudi)
- ❖ **August 2, 2001:** Bush renews negotiations with Taliban.
- ❖ **August 6, 2001:** Bush asleep at the helm regarding President's Daily Briefing [PDB] and attack on U.S.
- ❖ **10 Sept 2001:** "The Strategery" is inadvertently revealed at a prophetic time in history. It does not seem so, but it is a "smoking gun".
- ❖ **11 Sept 2001:** WTC and Pentagon attacked
- ❖ **7 Oct 2001:** US attacks Taliban under War Plan designed, practiced pre-9-11.

Major Milestones

- ❖ **31 Dec, 2001:** President Bush appointed a former aide to Unocal, Afghan-born Zalmay Khalilzad, as special envoy to Afghanistan. The nomination was announced nine days after the US-backed interim government of Hamid Karzai took office in Kabul.
- ❖ **8 Feb, 2002:** Afghanistan's interim leader Hamid Karzai said he and Pakistani President Pervez Musharraf had agreed to revive a plan for a trans-Caspian gas pipeline from Turkmenistan to Pakistan.
- ❖ **27 Dec, 2002:** Central Asia pipeline deal signed; An agreement has been signed in the Turkmen capital, Ashgabat, paving the way for construction of a gas pipeline from the Central Asian republic through Afghanistan to Pakistan.

Major Milestones

- ❖ **23 Feb 2003:** **OPIC agrees to fund the pipeline and Bush has guaranteed to protect it with U.S. troops (without telling the United States citizens). “23-02-03 Turkmenistan, Afghanistan and Pakistan (TAP) have signed a protocol for trans-Afghanistan Gas Pipeline Project... However, some recent reports had indicated that the United States was willing to police the pipeline infrastructure through permanent stationing of its troops in the region. The US ExIm Bank, the Trade and Development Agency (TDA) and the Overseas Private Insurance Corporation (OPIC) had also shown readiness to finance such a project, if leading American energy giants come forward.**

Major Milestones

- ❖ 9 Sept 2003: **Bridas prevails at 5th Circuit, U.S. Court of Appeals after years of being jerked around in Texas courts. \$495 million arbitration award upheld.**
- ❖ 22 Mar 2004: **U.S. Supreme Court denies *Writ of Certiorari*, upholding 5th Circuit. State Concern Turkmenneft v. Bridas, 03-1018** (Remember, Unocal / Delta (Saudi owned) started this blockade, aided by Clinton and Bush Administrations and Texas judges. Also in bed with Amerada Hess [Delta / Hess] and board member Thomas Kean chairs the 9-11 Commission.)
- ❖ **Has anyone heard a word about Bridas from Bush – Cheney or the 9-11 Commission? No? Wonder why? Cover up!**

9-11 Commission covered up in Conflicts of Interest

- ❖ Thomas Kean, 9-11 Chairman, Amerada Hess, a firm directly benefiting from removal of Taliban / Bidas. (In bed with Saudi owned Delta Petroleum)
- ❖ James R. Thompson, chairman of Winston Strawn, lobbyist has direct ties to Van Scoyoc Associates and that firm represents many of the possible suspects and “highly motivated parties”. James R. Thompson also sits on board of FMC, a firm directly benefiting from removal of Taliban / Bidas. Winston Strawn has possible legal problems in Nevada involving DOE deal according to several media reports and Senator Reid of that state.
- ❖ John F. Lehman is head of a firm [J. F. Lehman & Company] that benefits from Bush – Cheney War Policy and involvement in private equity investments into defense and Homeland Security companies. His partners are all former Boeing, Martin Marietta and United Technologies

9-11 Commission covered up in Conflicts of Interest

- ❖ Fred Fielding is a board member of Committee for Justice along with M. Diane Allbaugh, an energy lobbyist (Texas) and wife of former Bush – Cheney 2000 Campaign Manager Joe Allbaugh. Just before the Iraq invasion Mr. Allbaugh left as head of FEMA to set up New Bridge Strategies to represent those that wanted to “get in” on the multi-billion rebuilding of Iraq.
<http://www.newbridgestrategies.com/bios.asp> Supposedly, FEMA had a team arrive in NYC on September 10, 2001 and were “first on scene”.

9-11 Commission covered up in Conflicts of Interest

- ❖ Jamie Gorelick sits on the boards of two companies directly benefiting from Bush – Cheney policy, one oil related (Schlumberger), one defense related (United Technologies), not to mention her prior position as General Counsel of the Department of Defense while the Bidas “mugging” was in progress. Christine Todd Whitman. Former Bush EPA head, sits on the United Technologies board too. What environmental policy?
- ❖ Richard Ben Veniste , Partner Mayer Brown, Rowe & Maw should have never been appointed to the 9-11 Commission except to cover up Bidas and Caspian related matters. The fingerprints of his law firm are all over Pakistan and the Caspian deals, and even a blunt instrument to keep Bidas tied up while they were going to be breached with military force. Just waiting on 9-11 and hoping no one figures out the role his firm is playing on all sides of the deal.

9-11 Commission covered up in Conflicts of Interest

- ❖ Tim Roemer accepted campaign funds from Van Scoyoc Associates, a firm that represents SAIC, Advanced Power Systems Intl, Citigroup, Bechtel, Fluor, and Unocal. He also accepted funds from Carlyle Group, Chevron, Texaco, Citigroup that is leading many loan deals with OPIC guarantees. His former contributors, relationships, are benefiting by the removal of the Taliban and Bidas.
- ❖ Thank you Lee Hamilton, Bob Kerrey and Slade Gorton for not looking like Texas hound dogs with ticks and fleas.
- ❖ There is a word that fits what Bush – Cheney and this Commission have done and are doing. That word is -

DESPICABLE

Bush – Cheney Energy Policy 101

In summary, here is what Bush – Cheney are doing...

4. Escalating oil and gas prices benefit Bush Buddies

5. 30-year “oil standard” instead of energy independence

NO RULE OF LAW

6. Continued use of our military to protect their \$7+ trillion deal, all paid for by us; money, blood, sacrifice for their gain.

3. Terrorism being used more so than OPEC cuts to drive up Oil and Gas

**2. Increased oil price by Bush Policy to weaken the US dollar
[low dollar = high oil]**

1. Contrived “energy shortage” by shutting down refining capacity

Not a word out of the 9-11 Commission...

about **Bridas** and all of the players conspiring to get them out of the way and get control of the **\$7.34+ TRILLION** in oil and even more in natural gas.

Many “Highly Motivated Parties”

- ❖ To see Bush – Cheney use of force to get Taliban and Bidas Corporation out of the way.

 - ❖ Pakistan players that need that gas to improve their “bottom line” (that is what started the Enron – Dabhol fiasco)
 - ❖ Major Bush Backers lined up around a Hog Trough like the Big Oil Pigs and Big War Pigs they are in fact.
- ❖ All of them lying to AMERICA and collaborating to conceal Bidas and why we attacked to take over the multi-trillion oil & gas deal for Bush – Cheney friends and backers. They would have to point the finger of blame at them selves.

Not a word out of the 9-11 Commission...

about how **Bridas, Taliban, Caspian oil and gas, Pakistan, Trans-Afghanistan Pipeline and September 11, 2001** are INSEPARABLE and many U.S. and UK Caspian Players who wanted 9-11 to happen so the attack would be condoned by American Citizens.

Not a word out of the 9-11 Commission...

about how our use of military force was needed to “**breach the contract**” & get this deal under the control of Bush – Cheney and their rich bastard friends **that care more about oil, gas & money than human life.**

Not a word out of the 9-11 Commission or Bush –
Cheney on this...

Nothing wrong in this world but Bush – Cheney and their abusive greedy friends that are easy to hate.

Bush – Cheney and their major backers are not
Conservative Republicans...

They are Neocons and proponents of **Movement Conservatism**, pro-Big Business, Socially Malevolent to you and me. See Richard W. Behan, *The GOP, Inc.*

ARROGANCE & DESPICABLE WANTON GREED**

Thank you. The foregoing is a small part of Chapter 11 of the book. It is time for Americans to show Bush – Cheney the door, with prejudice.
